Canadian Cottons

To the Shareholders:

YOUR Directors submit herewith the Thirteenth Annual Report for the year ending March 31st, 1923.

There has been a steady demand for goods such as your Company produces, and the Mills have run throughout the year without interruption.

Competition from the Southern States has been extremely keen, particularly on heavy goods, while the fine lines made by your Mills have had to meet the very abnormal conditions prevailing in the Textile business of England. The margin of profit has thus been small, but the increased turnover, together with the excellent physical condition of the Mills, have enabled your Directors to present a report which it is hoped will be considered as satisfactory.

After making provision for Depreciation and Government Taxes, the Manufacturing Profits and Interest on Investments amount to \$703,192.00, and are disposed of as follows :

Bond Interest	-	-	-	-	-	-	\$162,046.00
Dividends on Preferred and Common Stock							436,930.00
Bad Debts written off	-	-	-	-	-	-	41,362.00
Carried to Profit and Loss Account	-	-					62,854.00
							\$703,192.00

The utmost harmony has prevailed between the Company and its Employees, and the Profit-Sharing Scheme inaugurated some years ago seems to be working out to the satisfaction of all concerned.

Little can be said as to the conditions facing your Company during the coming year. Until business improves in England, competition from that source is going to be extremely keen, and profits can only be made by observing the strictest economy, and by keeping the whole organization in a state of high efficiency.

The Books and Accounts of the Company have been duly audited, and the Auditor's Report is submitted herewith.

Respectfully yours,

CHARLES R. HOSMER,

President.
